

The OOKA ISLAND Anthem

Welcome to Ooka Island, ride the Ooka wave
Missing books, I know you'll find them or an Ooka Elf to save
Playing on Ooka Island, go explore a cave
One thing that makes me smile is getting those Fliggs to behave

Zobot and Auntie Kay, come and play with us every day
I know you'll have fun with everyone

Read the books on all the shelves with Zobot and the Ooka Elves
Laugh at the funny flying pigs, the silly critters we call Fliggs
Drive a boat and climb a mountain, pop the bubbles at the bubble fountain
Rescue elves when you get the chance or defeat the mighty Fliggnorance

Zobot and Auntie Kay, come and play with us every day
I know you'll have fun with everyone
